Day 8

This day no daily report was written*.

Good Shepherd Sunday.

On this day the Brothers and Lasallians participating in the 46th General Chapter had a day of rest.

The Central Commission of the Chapter proposed some organised activities: a pilgrimage to Assisi to visit the Sanctuary and the emblematic places of St. Francis, but also to get to know the social work run by the Franciscans, and another group visited a work of the community of Sant'Egidio. The other Capitulants took advantage of the day to rest or to visit the city of Rome.
